

PASSWORD RESET INSTRUCTIONS

Dear Long Beach Golf Course Patron,

Next week we will be switching over to a new tee time booking engine, foreUP. You will no longer be able to use EZLinks.

When you first log into foreUP, you will need to reset your password.

STEP 1:

1. Login to your new foreUP account with your email address and the password **provided in the email you received from foreUP.**

STEP 2:

2. After you have successfully logged into your new account, select "My Account" and then "Account Information".

STEP 3:

3. At the bottom of the Account Information tab you will find an area where you can change your login information.

If you require any additional assistance, please contact your golf course pro shop.

Thank you!
American Golf Corporation
